

# I Wanna Be with You

Adam Hood

Put down the cigarettes  
Dont take those sleepin pills  
Stay up and talk to me  
Cause I wanna be with youNobodys callin me  
Theres nowhere to be tonight  
So come in and lock the door  
Cause I wanna be with youLoves never easy  
And I know Im hard on you  
I think you realize youre hard on me tooSo when the goings tough  
We cant put our weapons down  
Cause this loves strong enough to stay around  
They cant tear this fortress downThese people talk too much  
And Im a conversation piece  
We cant let em split us up  
Cause I wanna be with youAnd Im not a pay check  
And youre more than trailer trash  
And a power too big for us  
Has kept me here with youLoves never easy  
And I know Im hard on you  
And I think you realize youre hard on me tooSo when the goings tough  
We cant put our weapons down  
Cause this love is strong enough to stay around  
They cant tear this fortress downYou know that talk is cheap  
I speak my heart in melody  
And Ill use this song to say  
That I want to be with you
