I Think

Trinidad James

He said that you were crazy
He said that you were losin' your mind
And that you don't know how to treat a man
But baby, you do me just fine
Every time he comes around, he tells me
How you did him wrong, telling me
You broke his heart but I don't really give a damn
About what he says 'cuz check this out
I think, I think that you're a beautiful woman
And I think, I think that you deserve a good man
I think, I think that I could be the man for ya
So baby, won't you take my hand?
I think, I think that you're a beautiful woman
And I think that you deserve a good man
I think that I could be the man for ya
So baby, baby, won't you take my hand?
He says you're disrespectful
And that you don't know how to carry yourself
And now he's tellin' me you're ghetto
But still I want no one else
I'm really sick and tired of him
And the way that he talks about you
I think I'm gonna tell him, oh yeah
Oh yeah, "Hey, I love that woman"
I think, I think that you're a beautiful woman
And I think, I think that you deserve a good man
I think, I think that I could be the man for ya
So baby, won't you take my hand?
I think, I think that you're a beautiful woman
And I think that you deserve a good man
I think that I could be the man for ya
So baby, baby, won't you take my hand?
He's always telling me that you're
Not the one for me but I see things in you
That he would never see, so no matter what he says
And baby no matter what he might do
There is nothing and no one that can change
My feelings for you, oh baby yeah
I think, I think that you're a beautiful woman

And I think, I think that you deserve a good man
I think, I think that I could be the man for ya
So baby, won't you take my hand?
I think, I think that you're a beautiful woman
And I think that you deserve a good man
I think that I could be the man for ya
So baby, baby, won't you take my hand?
