Valley Of Lost Souls

Poison

Oh Lord, have mercy
One, two, three, four
Ooo, killer
I hit the highway
A tough life barely sixteen
No Angel Mercy
Coming down to save the soul of me
I took a Greyhound limousine
Straight to Grand Central N.Y.C
It was ass, gas or grass, livin' fast
Nobody rides for free
Livin' it up, givin' it up
Living in the valley of lost souls
Wantin' it all, takin' the fall
Livin' in the valley of lost souls
Miss Misery come ride me
How I love her company?
She did Boston justice
And wronged all the right out of me, me, me
The devil wears a black suit
He says, "I'm livin' like a bum
So what I'm lookin' like I'm half dead

A gypsy on the run, run, run"
Livin' it up, givin' it up
Living in the valley of lost souls
Wantin' it all, takin' the fall
Livin' in the valley of lost souls
It feels like, feels like time's runnin' out on me
But I wasn't born to play nobody's fool
Ain't nobody gonna hold me down
Gotta roll, roll, roll, roll, roll, roll, roll
Livin' it up, givin' it up
Living in the valley of lost souls
(Somebody save me)
Wantin' it all, takin' the fall
Livin' in the valley of lost souls
(Somebody save me)
Livin' it up, givin' it up

Living in the valley of lost souls
(Somebody save me)
Wantin' it all, takin' the fall
Livin' in the valley of lost souls
(Somebody save me)
