Verse 1:
LA city you can be so beautiful
All your streets are filled with dreams and spectacle
Pretty city I must leave when autumn falls
The weather changes elsewhere, I must feel it all, so I can goPreChorus 1:

Found a love in Washington who comforts me
I made time to live his way in country peace
But LA City called me back to chase my dreams
So I left my lover for the truth that waits for meMy love goesPreChorus 1:
OOoooOOOhh, ooooh, ooooooohChorus 1:
From city to city to city to city to city
It is all the same
We are made for each other
From city to city to city to city to city
From city to city to city to city to city
It is all the sameVerse 4
LA city glows ambition night and day
Theres a thirst for fame that I cannot relate
