Temptations Wings

Down

I feel the pressure, it lightens
To judge this spirit of mine
To be like the judgment
To be the king that is left behindTo hell with I miss you
I said I'd do it alone
Ripping apart from you
A broken vision to call my ownI gave my life to reason
So now I'm watching my life go
My wit is falling apart
I can't shake temptation's wings
I can't shake temptation's wingsI bury my head with frustration
And I look at others and wonder why
I'm feeding my cancer
A broken vision that stole my sightI gave my life to reason
So now I'm watching my life go
My wit is falling apart
I can't shake temptation's wingsI can't shake temptation's wings
I can't shake temptation's wings
I can't temptation's wingsTemptations wings
Temptations wings, temptations wingsTemptations wings
Temptations wings got me pale
Temptations wings
Temptations wings got me paleWhy? Why? Why?
Temptations wings got me pale
Why? Why? Why? Why? Why? Why?
