

# Everybody Lives

Granger Smith

Everybody's got a first kiss  
But not everybody makes it last  
Everybody's got long list  
Of some, some day I'm gonna do that  
Whoa, but nobody needs time  
Till it runs out  
Oh, so why take a left  
When you can take a right now Everybody's got a future  
But not everybody makes it past  
Everybody's got a chance to take that some don't take  
Till it's too late to take it back  
Everybody's got a last breath  
But not everybody breathes it in  
Everybody dies  
But not everybody lives  
Not everybody lives  
A lesson can't be learned  
Unless there's a mistake  
And a heart can never love  
If it's too afraid to break  
Whoa, so don't plan on the minute hand slowing down  
Oh, no Everybody's got a future  
But not everybody makes it past  
Everybody's got a chance to take that some don't take  
Till it's too late to take it back  
Everybody's got a last breath  
But not everybody breathes it in  
Everybody dies  
But not everybody lives  
No, not everybody lives  
Some people run from all the bad times  
Till they run all out of good  
Some people know how to say I love you  
And some people wish they could Everybody's got a future  
But not everybody makes it past  
Everybody's got a chance to take that some don't take  
Till it's too late to take it back  
Everybody's got a last breath  
But not everybody breathes it in

Everybody dies  
Everybody dies  
But not everybody lives Oh, oh oh, oh oh oh oh  
Oh, oh oh, oh oh  
(Oh oh oh)  
Oh, oh oh, oh oh oh oh  
(Oh oh oh)  
Oh, oh oh, oh oh  
(Oh oh)  
Oh, oh oh, oh oh oh oh
