

Lose Touch

Olivia Broadfield

Stay, dont wait
I cant bare to see you crying
I cant bare to see you break
You're almost there
Keep holding back the moments
Keep pushing back despairI've got it all worked out now
I promise you this much
Although it keeps on hurting
Maybe if we just lose touch
x2Dont waste your time
There's girls that are so restless
Dont know where to draw the line
Youre so cut up
My stupid hearts a sinner
Trying to push this loveI've got it all worked out now
I promise you this much
Although it keeps on hurting
Maybe if we just lose touch
x4
