

Cat People (David Bowie Cover)

Danzig

See these eyes so green
I can stare for a thousand years
Don't you know my name
Can't you see it's been so long
See these tears so blue
This ageless heart can never mend
Tears will never dry
Judgment made can never bend
It's been so long
See these eyes so red
Red like jungle burning bright
Those who feel me near
Pull the blinds and hide in fear
Still this pulsing night
This plague they call a heartbeat
Just be still with me
You can't believe what I've been through
It's been so long
It's been so long
And I've been putting out fire
With gasoline
Putting out fire with gasoline
Been so long, so long, so long
Been so long, so long, so long
