

Smoke Signals

Extreme

Keep your elbows off the table
Look before you cross
Buckle up your seat belt
Parental discretion advised So now keepin' off the grass
Beware of the dog
A restricted area
Police will take notice No no, I don't wanna know
My ass from my elbow
No no, don't wanna know
I don't wanna know Where there's smoke there is fire
D-d-d-don't be playin' ball in the street
Yeah where there's smoke, fire
What you sow is what you will reap Slippery when wet
Skatin' on thin ice
Caution fallin' rocks
Give a hoot and don't pollute Well the Surgeon General's warnin'
Don't you drink and drive
Sayin' no to drugs
Hazardous to your health Out of reach from children
Fatal if you swallow
Keep away from heat
Pull in case of fire No no, I don't wanna know
My ass from my elbow
No no, don't wanna know
I don't wanna know Where there's smoke there is fire
D-d-d-don't be playin' ball in the street
Where there's smoke, fire
What you sow is what you will reap Where there's smoke there is fire
D-d-d-don't be playin' ball in the street
Where there's smoke there is fire
What you sow is what you will reap There's smoke, fire
Don't be playin' ball in the street
Where there's smoke, fire
What you sow is what you will reap
