

# Let's Get Lost

## Pretenders

Let's get lost  
Let's get lost  
Let's get lost  
Let's get lost Well I wear it like a charm  
Tattoo on my arm  
Your name in a horseshoe  
Your talismans and such  
Rely on them to touch  
Get close to you. Ooh, Well I try just a little  
Cry just a little  
Keeping my fingers crossed  
Ooh, I get high just a little  
High just a little  
Now I found you  
Let's get lost  
Let's get lost  
Let's get lost  
Let's get lost Riding on a bus  
Thinking about us  
And what you'd be saying  
If you and me were real  
You feel what I feel  
And not just playing  
Ooh, I get high just a little  
Try just a little  
Keeping my fingers crossed  
Ooh, I get high just a little  
High just a little  
Now I found you  
Let's get lost  
Let's get lost  
Let's get lost  
Let's get lost It's inexplicable, irrefutable  
Now it's begun  
Ooh It's irreversible, non-negotiable  
The only one Let's get lost  
Let's get lost  
Let's get lost

Let's get lost
