Baptized In Blood

Advisory - the following lyrics contain explicit language:

Stand up and smoke while I eat
Haven't washed my hair in weeks
Wink at every girl I see
I'm bringin' Dirty Back. Get so high I can't breathe I'm swearing constantly.
Fuck shit you can suck my dick see it just comes naturally. We're bringin' Dirty Back. Do what you want have a
little fun.
Go out and caude some shit so I know I'm not the only one
Who never washes jeans. Loves the smell of gasoline.
Down Jack till I fall asleep. We're bringin' dirty back. Fuck rubbers I think they suck.
I'm not wearing them when we go fuck.
No I didn't call you a slut. Just think you look good on me. Hit the rippers grab some eats.
Downing brews as you shake your cheeks.
Sportin joggers so I get a piece. We're bringin dirty back. Do what you want have a little fun.
Go out and caude some shit so I know I'm not the only one
Who never washes jeans. Loves the smell of gasoline.
Down Jack till I fall asleep. We're bringin' dirty back. There's only one thing to remember. (Hell No!) I won't
change a rhinf doe anyone.
(Hell No!) We won't change a thing we're too busy loving it.
(Hell No!) We won't change a thing for anyone.
(Hell No!) We won't change a thing we're too busy loving it. We're bringin' Dirty Back. Do what you want have
a little fun.
Go out and caude some shit so I know I'm not the only one
Who never washes jeans. Loves the smell of gasoline.
Down Jack till I fall asleep. We're bringin' dirty back. We're bringin' Dirty Back. We're Bringin' Dirty
Back. Dirty's Back.
