

Ten 13

Sammy Hagar

I'm about to throw a party
And everyones invited
You can dress the way you want to
Come on get what you're here for
Lets celebrate, don't be late
For this annual celebration
Its a call across the nation
Come on, don't be late
don't worry bout manana
Just say como se nada
Time flies by so quickly
Yet nothing ever changes
Lets celebrate, don't be late
Well its a good excuse to party
Come on, lets get everything started
Happy Birthday to you
Happy Birthday to you
Its your first day now you're brand new
So Happy Birthday to you
Yea listen, now were gonna throw a party
Yea, were gonna have a party
Lets celebrate, don't be late
For this annual celebration
Come all across the nation
don't be late
We got a very special day here
Come on, get what you're here for
Happy Birthday to you
Happy Birthday to you
Its your first day now you're brand new
Happy Birthday to you
Now were gonna have a party
Now were gonna have a party
Now were gonna have a party
Now were gonna have a party
Lets celebrate!
Happy Birthday to you
Happy Birthday to you
Its your first day now you're brand new

So Happy Birthday to you
Now were gonna have a party
Now were gonna have a party
Now were gonna have a party
Now were gonna have a party
Happy Birthday to you
Happy Birthday to you
Were gonna have a party
Right here tonight.
Happy Birthday everybody!
