

# Hear You Calling (Mother Earth Mix)

[Aurora](#)

Through the night I hear your voice  
Draws me in, I have no choice  
As I rise through the air your echo close  
I see time stand still  
As I'm watching the world below I can hear you calling  
I can hear you calling  
I can hear you calling my name  
I can hear you calling  
I can hear you call Across the sky, into the deep  
Dream a dream, our love's complete  
I look into the light, we're heaven bound  
I reach out for your touch  
As I'm falling without a sound I can hear you calling  
I can hear you calling  
I can hear you calling my name  
I can hear you calling
