

# Fade Into You

## Catman Cohen

I want to hold the hand inside you  
I want to take a breath that's true  
I look to you and I see nothing  
I look to you to see the truth You live your life  
You go in shadows  
You'll come apart and you'll go blind  
Some kind of light into your darkness  
Colors your eyes with what's not there. Fade into you  
Strange you never knew  
Fade into you  
I think it's strange you never knew A stranger's light comes on slowly  
A stranger's heart without a home  
You put your hands into your head  
And then smiles cover your heart Fade into you  
Strange you never knew  
Fade into you  
I think it's strange you never knew Cannot breathe  
Without you Cannot see  
Without you You're my light  
I need you You're my Truth  
I need you You're my heart  
I need you I'm just a shadow  
Without you Love  
I love you.
