Sucka For Love

Dmx

[Dawn]
I'm a sucka over love
Smooth slick talk
Anything he wants
I could provide it, I'm a rider
Fulfill your desire
Tell you baby what you (want uh uh)
I could be there if you (want uh uh)
I could model that if you (want uh uh)
This ain't it for them scary chicks
I handle my businesses

Say I don't know much but I know that
Tonight I don't want to be alone
Be alone, be alone, be alone, (hey hey)
Said I gotta make some contact
With you one on one
And everybody knows that I'm

[Chorus]
I'm addicted to kissing and hugging
Touching and rubbing
I'm a sucka for love (for love, for love, for love)
If you're addicted to kissing and hugging
Touching and rubbing
You're a sucka for love(for love, for love, for love, for love, for love, for love, for love)

I do my best to keep you here (all night long)
I'm pulling out all my tricks
'Cause I don't ever want you going nowhere else
But your diggs
You feeling that baby (oh oh oh)
You're energy is so (stro-oh ong)
It's our destiny
Don't look back
I want it like (that at at)

I don't know much but I know that
Tonight I don't want to be alone
Be alone, be alone, be alone, (hey hey)

Said I gotta make some contact
With you one on one
And everybody knows that I'm

[Chorus]

What you waiting for
Baby move a little bit closer, to me
You know you're gonna
I know you wanna, I know you're wanna
So why don't you quit playing
I want to see what you working with(What you're working with)(x13)

You know I'm addicted to...
I'm addicted to kissing and hugging
Touching and rubbing
I'm a sucka for love(for love, for love, for love)
If you're addicted to kissing and hugging
Touching and rubbing
You're a sucka for love(for love, for love, for love, for love, for love, for love, for love)
For love!
