Sacred Love

Bad Brains

Advisory - the following lyrics contain explicit language:

Sacred love,
Sacred love,
Sacred love,
Sacred love,
Baby baby baby,
I dont want come to me as a whore,
Dont lust off my body baby,
Thats a bore,
I see our love as being sacred,
Just you and me,
We dont need our business in the streets,
Reality,[chorus]
Im in here, youre out there,
We know whats right,
No crying no lying,
Our hearts declared,
Sacred love,
Sacred love,
Sacred love,
Sacred love,Maybe maybe maybe
Jah will bless us to be one tomorrow,
Visits from you every tuesday,
Right on time
