

# Could Be Anything

## The Eames Era

Run along, run a long way to find a one

Find a one who could turn you on

Underneath a cloudless sunI certainly hope that you are happy

With your new change of company

Surrounded by your enemiesCan't you see if I could be anything I want to be I would be you, see,

Can't you see if I could be anythingAnd if you say everything will want to go your way

I will turn you away as easily as I turned you into meRun along, run a long way to find a one

Find a one who could turn you on

Underneath a cloudless sunI certainly hope that you are happy

With your new change of company

Surrounded by your enemiesIf you say everything will want to go your way

I will turn you away as easily as I turned you into meAnd can't you see if I could be anything I want to be I  
would be you, see,

Can't you see if I could be anythingOh, oh, there's a lot of things I could say to make you understand

I don't have time to explainCan't you see if I could be anything I want to be I would be you, see,

Can't you see if I could be anythingAnd if you say everything will want to go your way

I will turn you away as easily as I turned you into meAnd can't you see if I could be anything I want to be I  
would be you, see,

If I could be
