Everything's Out In the Open

Johnnie Taylor

My heart could barely take it in
Like water offered to the lips
Of a tired and thirsty man
Cuz it's a tangled web of woven
I don't know all the reasons
But it amazes me to wake up
To your mercy every morning
So I'm standing here spinning around
In the fields of freedom
And I'm still alive and reaching out
And I can feel the healing
Cuz you say
Come on out come on out
Come on out come on out
Out in the open
