

# Boys Do Cry

## Bobby Cole

Tell me why boys don't cry  
It's not true ill tell you why  
Most boys hide behind lies

When tears swell up in their eyesBoys do cry

Boys do cry

Boys do cryNot afraid of a broken heart  
Can't count the times its been ripped apart

Most boys hide behind lies

When tears swell up in their eyesBoys do cry

Boys do cry

Boys do cryYou know love can sometimes burn

And tears that dry will always return

Most boys hide behind lies

When tears swell up in their eyesBoys do cry

Boys do cry

Boys do cryBoys do cry

Boys do cry

Boys do cry
