

I've Got My Love To Keep Me Warm

Rod Stewart

The snow is snowing, the wind is blowing
But I can weather the storm
What do I care how much it may storm?
I've got my love to keep me warm
Ooh, I can't remember a worse December
Just watch those icicles form
What do I care if icicles form?
And I've got my love to keep me warm
Take off your overcoat, take off your glove
You don't need no overcoat 'cause I'm burning with love
My heart's on fire, the flame grows higher

So I will weather the storm
What do I care how much it may storm?
I've got my love to keep me warm
Off with your overcoat, off with your glove
You don't need no overcoat 'cause I'm burning with love
My heart's on fire, the flame grows higher
So I can weather that storm
What do I care how much it may storm?
I've got my love to keep me, I've got my love to keep me
I've got my love to keep me warm
