Okay

Swirl 360

She sat me down and took me by the hand
She said I'll try to make this painless if I can
She was sorry and then she began to cry
Couldn't look me in the eye
I said, "Baby, let me just save you the time"I can see where this is going
And tears will fall and hearts will break
Love's a game we almost played
So dry your eyes and be on your way
As for me, I'll be okayWell, I thought we were that perfect match
It's so hard to say that now without a laugh
There was never ever such a thing
Not as far as I can see
Now that all of love such miseryYou can see where this is going
And tears will fall and hearts will break
Love's a game we almost played
So dry your eyes and be on your way
As for me, I'll be okayWe gonna be okay, yeahI can see where this is going
And tears will fall and hearts will break
Love's a chance we almost take
So dry your eyes and be on your way
As for me, I'll be okayAs for me, I'll be okay
As for me, I'll be okayI'll be okay
I'll be okay
