

# Dance Or Die

## Family Force 5

Transmission radio, radio...respond if you're alive  
Give me a sign of life  
I need to say to you, say to you...I've found a way to fight  
One hope for all mankind  
[B Verse 1:]We're gonna take control  
Dancing is your weapon  
Let your moves unfold  
Kill 'em with your steppin'  
We can win this war  
It's time to come together  
Now we're stronger than we were before  
[Chorus 1:]They're trying to take our lives  
But we will survive  
We're running out of time, the world ends tonight  
Unless we dance or die  
Dance or die  
[Verse 2:]Transmission radio, radio...take back the night  
Dance for your right  
I'm on my way to you, way to you...we can reunite  
  
And watch the sky ignite  
[B Verse 2:]They couldn't take the sound  
They fall harder when they're bigger  
Yeah they all crashed down  
Our party pulled the trigger  
We won this war  
Because we came together  
Made 'em wish that they were never born  
[Chorus 2 and 3:]They try to take your lives  
But you will survive  
Look into my eyes, don't say goodbye  
You gotta dance or die  
Dance or die  
[Bridge:]One-two-three-four  
I declare a dance war  
Dance or die  
Yeah it's five-six-seven-eight  
Now we're gonna celebrate  
Dance or die
