## Coldplay

I stole a key  
Took a car downtown where the lost boys meet  
Took a car downtown and took what they offered me  
To set me free  
Saw the lights go down at the end of the scene  
Saw the lights go down and they're standing in front of me  
In my scarecrow dream  
When they smashed my heart into smithereens  
Be a bright red rose come bursting the concrete  
Be a cartoon heart  
Light a fire, light a spark  
Like a flame in my heart  
We'll run wild

We'll be glowing in the dark  
We'll be glowing in the dark  
All the boys, all the girls  
All that matters in the world  
All the boys, all the girls  
All the madness that occurs  
All the highs, all the lows  
As the room is spinning, oh  
We'll run wild  
We'll be glowing in the dark  
So we'll run wild  
We'll be glowing in the dark
