

Put a Little Holiday In Your Heart

[LeAnn Rimes](#)

Feel the cold wind blowing-winter's coming on
Tis the season, so they say
If you need help believing 'cause your spirit ain't too strong
Hold my hand--we'll push that cloud awayPut a little holiday in your heart
It'll put a little shuffle in your step
Give you a song that you can sing
With a melody you can't forget
And if you want to join in a little harmony
To keep the world from tearin' apart
Well you know where to look
Yeah--you gotta put a little holiday in your heartThere's a man on the corner who doesn't have a name
People pass and turn their heads away
But to share a simple kindness would set your heart aflame
And you'll get more than you'll ever give awayPut a little holiday in your heart
It'll put a little shuffle in your step
Give you a song that you can sing
With a melody you can't forget
And if you want to join in a little harmony
To keep the world from tearin' apart
Well you know where to look
Yeah--you gotta put a little holiday in your heartIt starts with you, it starts with me
That ain't no stranger, he's family and it don't matter if we agree
It all comes down to lovePut a little holiday in your heart
It'll put a little shuffle in your step
Give you a song that you can sing
With a melody you can't forget
And if you want to join in a little harmony
To keep the world from tearin' apart
Well you know where to look
Yeah--you gotta put a little holiday in your heart
