

# Love Me Already (Album Version)

## Black Kids

My girl's been a real whore  
Spending her time with Theodore  
Now Teddy he's my best friend but  
With friends like these  
Who needs enemies? My mother she told me  
You're being silly  
Talking, talking crazy  
Don't tell me what my problem is  
Just tell me what  
She's doing at his Apartment at midnight  
I didn't get an invite  
Tonight on my birthday  
That ain't half right  
My best boy Teddy Goddammit girl, just love me already Can't you love, love, love me already  
Love, love, love me already, baby  
Won't you love, love, love me already  
Love, love, love me already, baby My father he told me  
Biting and begging  
That hurts your knees  
You can't treat women like hotels  
Why should she love you? She knows you so well  
Now I'm at a payphone  
Humming so slow  
To a busy tone  
Now I knock on Ted's door  
Keeping time with my heart beat (He knocks on Ted's door  
Keeping time with his heart beat)  
Now I knock on Ted's door  
Keeping time with my heart beat  
The whore lets me in  
And it looks (looks) like (like) a (a) party Surprise, surprise it's your party, baby  
I know you hate secrets but try not to hate me  
Teddy and I, we kept it all on the slide  
So baby don't cry  
And please don't you try  
So love me already Love me already  
So baby don't cry  
And please don't you try  
So baby don't cry

And please don't you try So love, love, love me already  
Love, love, love me already, baby  
Love, love, love me already  
Love, love, love me already, baby  
Won't you love, love, love me already  
Love, love, love me already, baby  
Can't you love, love, love me already  
Love, love, love me already, baby  
Ready baby, ready baby, ready baby
