Don't Slow Down

Mr. Mister

I look into your eyes, I see the dream that I've been searching for
I'll search no more
The age of innocence is never truly spent when there is love
Still there to touchSo don't slow down, the wheels are turnin'
The fire's burnin' in us now, hey
Don't slow down, don't lose the magic
We've come too far to turn back nowI ask to share your dreams, recalling empty scenes, you hesitate
It's not too late
I wish into your eyes, the truth of what I am behind the mask
Beyond the past, ohSo don't slow down, the wheels are turnin'
The fire's burnin' in us now
Don't slow down, don't lose the magic
We've come too far to turn back now, hey
(Ohh ohh ohh)Don't slow downDon't slow down, wheels are turnin'
The fire's burnin' in us now
Don't slow down, don't lose the magic
We've come too far to turn back nowDon't turn back now
(Ohh ohh ohh)
Don't slow down, yeah
(Ohh ohh ohh)
