

Changing World

Prince Aloysious

I thought I had it all under control
I thought my fate was still in my hands
 All of my plans were firmly set
 By the words that I say
I forgot how quickly things can change
 Now my vision cannot be the same
 My life is not what I thought
 I'm not where I planned to be
 Though something's gone
 There's nothing wrong
 With my changing world
 Though something's gone
 There's nothing wrong
With my changing world, in my world
 I need to let go of my destiny
 I need to trust in things unseen
 I believe in having faith
 Though I yield my control
I forgot how quickly things can change
 Now my vision cannot be the same
 My life is not what I thought
 I'm not where I planned to be
 Though something's gone
 There's nothing wrong
 With my changing world
 Though something's gone
 There's nothing wrong
With my changing world, in my world
 I'm embracing all of my fears
 I am watching them turn to delight
The very fears which were gripping my mind
Are now the hands shaping and sculpting my dreams
 My life is not what I thought
 I'm not where I planned to be
 Though something's gone
 There's nothing wrong
 With my changing world
 Though something's gone
 There's nothing wrong

With my changing world
In my world
In my changing world
In my world
In my changing world
