

# I Get Around (Arthur Baker Remix)

## Dragonette

9 am  
In your bedroom  
The radio alarm clock  
Is set for soon  
I know you friends  
And you know mine too  
You don't tell on me I won't tell on you  
I get around Seconds to your elevator  
From the station  
How can I resist  
That kinda invitation  
Second floor and I'm in trouble  
Gotta get me back down to street level  
I get around Here I come when I better go  
I say yes when I ought to say no  
Here I come when I better go  
I say yes when I ought to say no Quietly slide away off the mattress  
Find my clothing on the bed post  
So I tip toe out of this mess  
As I slip back into last night's dress  
I get around Put a little lipstick back on my face  
Blow a little kiss to you from the doorway  
Walk the hall right past the stair case  
Take the elevator back down out of this place  
I get around Here I come when I better go  
I say yes when I ought to say no  
Here I come when I better go  
I say yes when I ought to say no  
I say yes when I ought to say no  
I say yes when I ought to say no  
I say yes  
I say yes  
I say yes  
I say yes  
I say yes  
Say yes  
Say ya
