

# Ring Size

## Keith Sweat

I'm Not letting you get away this time, you're here for keeps  
Are you ready?

We're gonna get our freak on when you put that ring on  
Baby, I'm trapped in your loving tonight, like it's some medic lights  
in the middle of the night

and Baby ever since you've been giving me time  
everything just seems so right

OOOO baby, you making me want to come from behind  
but this ain't no lust, it's the trust  
that makes me look at yo hand

you make me feel like spending all of my grand  
to show you that Im gonna make you mine

I want to see it shine, Babe

Girl I will help you make up your mind (yo mind)  
I ain't worried about it, it's the right time (it's the right time)

We've both been through Enough (enough)  
don't think caring is enough (enough)

let's start living it up, Let me change your life

Girl what's your ring size is

what's your ring size is

Baby you win a prize

What's your ring size

We're gonna get our freak on when you put that ring on

Baby, I ain't gonna be like other guys

I'm gonna treat you right, never cheat and never lie

and baby, make sure to remember that for life,

I put them other chicks on the side

OOOO baby, we'll be here forever just waisting time

so lets go spend this money up

you can put it in the bag babe, (put it in the bag, babe)

girl I want to make it right

I want make this for life, babe

Girl I will help you make up your mind (Make up yo mind, baby)

I ain't worried about it, it's the right time (I know it's the right time, girl)

We've both been through Enough (yea, yeah)

don't think caring is enough (enough, yeah girl)

Let's start living it up, Let me change your life

Girl what's your ring size is (eh, eh, Girl whats your ring size, babe)

what's your ring size is (What's your ring size)

Baby you win a prize  
What's your ring size  
We're gonna get our freak on when you put that ring on  
We're gonna get our freak on when you put that ring on (4 times)  
Aye, I, I, I,  
Girl I will help you make up your mind (make up yo mind)  
I ain't worried about it, it's the right time (see, its the right time, yeah girl)  
We've both been through Enough (enough, yeah)  
don't think caring is enough (enough, yeah)  
let's start living it up, Let me change your life  
Girl what's your ring size is (yeah)  
what's your ring size is (what's yo ring size yeah, yeah)  
Baby you win a prize (Baby, you win this prize)  
What's your ring size (What's yo ring size)  
We're gonna get our freak on when you put that ring on  
you can put it in the bag  
you can put it in the bag, baby  
you can put it in the bag, girl  
you can put this in the bag, baby  
I want to know what it is, what it is, what it is, girl. (High Pitch)
