Falling

Flotsam and Jetsam

I am falling, feel the pain
Clear the sidewalk see the stain
I will suffer nevermore
I have found an open doorI will soon have everything I've ever wanted
Revenge on my enemies, will they be haunted?
No worries, no feelings, no stress or fear
A permanent part of this spot right hereThe wind in my face, it screams in my ear
Falling faster, no one hereI will soon have time to rest and time to die
A speeding slab of concrete hits me in the eye
Broken bones that I won't get the chance to feel
I'll never cry or bitch or hurt or healI'm falling, sirens calling
Everyone is watching me
I'm crawling, loneliness mauling
Watching over meI'm falling, sirens calling
Everybody's watching me
I'm crawling, loneliness mauling
Watching over meI will soon have everything, I've ever wanted
Revenge on my enemies, will they be haunted?
No worries, no feelings, no stress or fear
A permanent part of this spot right hereI'm falling, sirens calling
Everyone is watching me
I'm crawling, loneliness mauling
Watching over meI'm falling, sirens calling
Everybody's watching me
I'm crawling, loneliness mauling
Watching over me
