

Everyone But You

Field Mouse

Everyone but you sits in a room
Talks about school
Fights through the gloom
Whistling drumming
Knees in the candle
Burnt down where your face sat
One time in April
Everyone but you
A book torn in two Tequila drips fingers
Kiss lips you don't miss
I stare in the mirror and face my own fist Everyone but you
Counted stars that night
But not me i slept
Dreamt you took another flight
Everyone but you
A book torn in twoo
