Just a Smile

Pilot

Any time you like to get next to me
Any time,
I could easily make you mine,
Any time,
If you ever end needing a loving care
I'll be there
This is something we can share
Any time[Chorus]
Just a smile, just an only smile
Lets me know where I belong
Don't you know you're turning me on
Turn me on,
Finding out what it's all about
Reaching up to the sky
Don't you know you're getting me high
Oh too high.Everybody likes to have someone else
To get mine
There's nobody else but you,
You and I
Any time you like to get next to me,
Any time
Nobody can deny, we'll get by[Chorus x2]
