Please Don't Let Me Go

Olly Murs

Where do I begin? Should I tell you How bad I need you now yeah You're underneath my skin But I'm confused My head is spinning all around I waited so long I need to know, darling What is on your mindNormally I try to run And I might even want to hide 'Cause I never knew what I wanted Till I looked into your eyes So am I in this alone? What I'm looking for is a sign That you feel how I feel for you Baby please don't let me go Baby please don't let me go Baby please don't let me go No, please don't let me go Baby no, no, no, noBadabadeebaba What else can I say? (Can I say) My heart is beating double time, yeah And do you feel the same? (Do you feel the same) Don't leave me in the dark, no But baby don't put out this spark, no I waited so long I need to know, darling What is on your mindNormally I try to run And I might even want to hide 'Cause I never knew what I wanted Till I looked into your eyes So am I in this alone? What I'm looking for is a sign That you feel how I feel for you Baby please don't let me go Baby please don't let me go Baby please don't let me go No, please don't let me go

Baby no, no, no Caught in the inquisition

Under these conditions I need a definition Is it love that we're sharing Show me that you're caring You see my fascination Tell me I'm not mistaken Give me the information I need One, two, threeNormally I try to run And I might even want to hide 'Cause I never knew what I wanted Till I looked into your eyes So am I in this alone? What I'm looking for is a sign That you feel how I feel for you Baby please don't let me go (Don't let me go) Baby please don't let me go (Please don't let me go) Baby please don't let me go (Don't let me go) No, please don't let me go Baby no, no, no, no
