

How Still My Love (Remastered)

[Stevie Nicks](#)

Still the same old story
What price glory
You make it easy
In the still of the night
In the still of the night
How still my love
In the still of the night
How still my love
Doing all you can for me
They say you're not the man for me
Don't make it easy
In the still of the night
In the still of the night
How still my love
In the still of the night
How still my love
Standing in the doorway
Watching out to sea
Calling out to me
You go your way
Go on go on
But you don't forget me
Oh no you don't forget me
Oh no my lonely one
You're doing all you can for me
They say you're not the man for me
Don't I make it easy
In the still of the night
It's me talking to you
How still my love
In the still of the night
How still my love
In the still of the night
It's me that's talkin' to you
In the still of the night
