

# Mary

## Kings of Leon

Hha ah ha ah ha ah ha ah  
Mary, if you want to  
I waive my right  
I'll be on the corner  
Just passin' time No I won't, ever once, make you cry i hi hi  
Just a kiss, oh I miss your goodbye i hi hi hi hi hi  
ha ah ha ah ha ah ha ah We'll go to the disco  
We'll be a sight  
Oh & we'll dance like (we're) boyfriends  
It's sheer delight No I won't, never once, make you cry i hi hi  
With a kiss, how I miss your goodbye No I won't, never once, make you cry hi hi hi  
Just to kiss, oh and I'll miss your goodbye i hi hi hi hi hi  
ha ah (repeated)
