

Negative Rein4sment

Taproot

Everything you say is negative thats how you live
Anothers your vision's so blind that's how you f*ckin live
Talkin' sh*t behind peoples back you're just playin' your self
Sucka thats how you live
Negative reinforcement thats who you are
You're not your blind
You're always talkin' shit behind peoples back
You're just playin' your self sucka
I'm just, motherf*ckers make me wanna scream
Ain't down with that sh*t
You know I, you know you need to rearrange
