

# Comfort Eagle

## Cake

We are building a religion  
We are building it bigger  
We are widening the corridors  
And adding more lanesWe are building a religion  
A limited edition  
We are now accepting callers  
For these pendant key chainsTo resist it is useless  
It is useless to resist it  
His cigarette is burning  
But he never seems to ashHe is grooming his poodle  
He is living comfort eagle  
You can meet at his location  
But you better come with cashNow his hat is on backwards  
He can show you his tattoos  
He is in the music business  
He is calling you, "Dude!"Now today is tomorrow  
And tomorrow today  
And yesterday is weaving in and outAnd the fluffy white lines  
That the airplane leaves behind  
Are drifting right in front  
Of the waning of the moonHe is handling the money  
He's serving the food  
He knows about your party  
He is calling you, "Dude!"Now do you believe  
In the one big sign  
The double wide shine  
On the boot heels of your primeDoesn't matter if you're skinny  
Doesn't matter if you're fat  
You can dress up like a sultan  
In your onion head hatWe are building a religion  
We are making a brand  
We're the only ones to turn to  
When your castles turn to sandTake a bite of this apple  
Mr. Corporate events  
Take a walk through the jungle  
Of cardboard shanties and tentsSome people drink Pepsi  
Some people drink Coke  
The wacky morning DJ  
Says democracy's a jokeHe says now do you believe

In the one big song  
He's now accepting callers  
Who would like to sing alongHe says, do you believe  
In the one true edge  
By fastening your safety belts  
And stepping towards the ledgeHe is handling the money  
He is serving the food  
He is now accepting callers  
He is calling me, "Dude!"Do you believe  
In the one big sign  
The double wide shine  
On the boot heels of your primeThere's no need to ask directions  
If you ever lose your mind  
We're behind you  
We're behind youAnd let us please remind you  
We can send a car to find you  
If you ever lose your wayWe are building a religion  
We are building it biggerWe are building a religion  
A limited edition  
We are now accepting callers  
For these beautiful pendant key chains
