The Goodbye Girl

Pluto

I put down the phone
And feel more alone
Than I did before it rang
And you were there. (Yeah Yeah)
I go back to bed
And those things you said
Run around inside my head
And I can't sleep. (Oh No)
Chorus:
Don't say goodbye to the Goodbye Girl
Just say see you soon
I said hello to the Goodbye Girl
And it's our nineteenth honeymoon.
So I'm late for work
And you're such a jerk
But I can't stay mad
Cause you're so far away. (Hey Hey)
So I'm home again
I'm alone again
But I only feel
Remotely in control. (Whoa Whoa)
I don't even know her name
Don't know when I'll get a
Chance to talk to you again
Chorus:
Don't say goodbye to the Goodbye Girl
Just say see you soon
I say hello to the Goodbye Girl
And it's our nineteenth honeymoon.
Pay telephone from a twilight zone
And I'm hanging on the line
I fell in love with the Goodbye Girl
Now I'll never say goodbye.
(hey hey)
