

Rock Me Baby

Melissa Etheridge

I think I'm ready to try my hand at love again
Because in my darkest hour
In my darkest hour, baby
I could always call you friend And it feels like you believe me
When you hug me and you squeeze me
And when I blush you tease me
When you tell me you're gonna please me
Come on baby rock and roll me
Take me in your arms and hold me, hold me baby
I want to be your one and only
Baby rock and roll me
All night long Forgive me baby if I'm a little nervous now
I never had a first time with such a familiar touch
It's been a long, long, long, long, long time
And I've needed, I've needed this, so much And it feels like you believe me
When you hug me and you squeeze me
And when I blush you tease me
When you tell me you're gonna please me
Come on baby rock and roll me
Take me in your arms and hold me, hold me, hold me, hold me baby
I want to be your one and only
Baby rock and roll me
All night long Ah you know me well so there are no games to play
Grab hold of me honey pull me down
And I will not run away I think I'm ready
I think I'm ready
I'm ready baby Come on baby rock and roll me, yeah yeah yeah
Take me in your arms and hold me, hold me, hold me, hold me baby
I want to be your one and only
Baby rock and roll me
All night long All night long baby
Just needs to be all night
All night long baby
Come on
I hope you understand what I mean
