

Obviously (JML)

[McFly](#)

Recently I've been,
Hopelessly reaching
Out for this girl,
She's out of this world.
Believe me. She's got a boyfriend
He drives me round the bend
He's in the marines,
He'd kill me. It's been so many nights now
I find myself thinking about her now. 'Cause obviously,
She's out of my league
I'm hopin' and wishin'
She's draggin' me in and now
I know I never will be good enough for her. No, no
Never will be good enough for her. Gotta escape now
Get on a plane now. yeah
Afterwards lady, that's where I'll stay (yeah)
For cheating I'll put it behind me (I'll put it behind me)
Go to a place where she can't find me. yeah. 'Cause obviously,
She's out of my league,
I'm wastin' my time
'Cause she'll never be mine
I know I never will be good enough for her.
No, no
Never will be good enough for her. She's outta my head
I never will know her again
I know I'm not good enough for her
He's good enough for her (for her, for her)
