Falling in Love (feat. Jessica Lowndes)

Ironik

- Jessica Lowndes -
Im turnin the pages
Just wanna be in love forever and ever
You and me, always together
And I know, I dont wanna cry no more
I cant no more
Feels just like Im falling in love (4x)- Ironik -
listen, i didnt wanna fall in love, its too soon
im falling in love, and its all cause of you
and i dont wanna fight it, i kinda like it
love rocks and baby you too
look how you got me feeling
ima wait for this love, no sleepin
but loves here to stay, so dont leave it
and let it flow until we get seasick (seasick)
they say i look better with love
but love looks better with us
ive met girls around the world
but youre the only one i trust
cause ima stay true to the end too
youre not just my girl, my bestfriend too
im glad your ex left you
left room for me to accept you
l-o-v-e- Jessica Lowndes -
Im turnin the pages
Just wanna be in love forever and ever
You and me, always together
And I know, I dont wanna cry no more
I cant no more
Feels just like Im falling in love (4x)- Ironik -
look, l-o-v-e got me falling, falling
and this chick got me talking, talking
i didnt wanna stand for love
but somehow shes got me walking, walking
huh, and i would run for love, have an election
women supporting, supporting
but a banner up, me and her
gunna fight for this love with no stalling, stalling
we never had a love like this,

you wanna feel my light kiss
you eternally feel like this
so let it in, dont try, fight it, please
i need you to be my star
so when you shine i know where you are
ill always wanna feel your heart,
forever and ever, whenever were apart
