

Feel

Jesse Harris

Why pretend that I can choose
When I know I have to lose
I can lose, I can lose, I can lose 'Cause I know, you won't give in
And you always have to win
You can win, you can win, you can win See you searching here and there
Looking for it everywhere
You don't care, you don't care, you don't care When I look into your eyes
I only realize
You're not there, you're not there, you're not there If you know it isn't real
Why pretend that you can feel
You can feel, you can feel, you can feel See you searching here and there
Looking for it everywhere
You don't care, you don't care, you don't care See you searching here and there
Looking for it everywhere
You don't care, you don't care, you don't care
