Unforgiven II

Pettsson

Lay beside me, tell me what they've done
And speak the words I wanna hear, to make my demons run
The door is locked now, but it's opened if you're true
If you can understand the me, then I can understand the you
Lay beside me, under wicked skies
Through black of day, dark of night, we share this paralyze

The door cracks open,
But there's no sun shining through
Black heart scarring darker still,
But there's no sun shining through
No, there's no sun shining through
No, there's no sun shining...

Chorus:
What I've felt,
What I've known
Turn the pages, turn the stone
Behind the door,
Should I open it for you?
What I've felt,
What I've known
Sick and tired, I stand alone
Could you be there,
Cause I'm the one who waits for you ...
Or are you unforgiven, too?

Lay beside me, this won't hurt I swear
She loves me not
She loves me still,
But she'll never love again
She lay beside me,
But she'll be there when I'm gone

Black heart scarring darker still,
Yeah she'll be there when I'm gone Yeah she'll be there when I'm gone
Dead sure she'll be there...

Repeat Chorus

Lay beside me, tell me what I've done
The door is closed, so are your eyes,
But now I see the sun
Now I see the sun
Yes, now I see it...

Repeat Chorus

What I've felt, what I've known
Turn the pages, turn the stone
Behind the door,
Should I open it for you?
What I've felt
Ooh, what I've known
I take this key and I bury it in you
Because you're unforgiven, too
Never free, never me
'Cause you're unforgiven, too
