

# Unforgiven II

Pettsson

Lay beside me, tell me what they've done  
And speak the words I wanna hear, to make my demons run  
The door is locked now, but it's opened if you're true  
If you can understand the me, then I can understand the you  
Lay beside me, under wicked skies  
Through black of day, dark of night, we share this paralyze

The door cracks open,  
But there's no sun shining through  
Black heart scarring darker still,  
But there's no sun shining through  
No, there's no sun shining through  
No, there's no sun shining...

Chorus:  
What I've felt,  
What I've known  
Turn the pages, turn the stone  
Behind the door,  
Should I open it for you?  
What I've felt,  
What I've known  
Sick and tired, I stand alone  
Could you be there,  
Cause I'm the one who waits for you ...  
Or are you unforgiven, too?

Lay beside me, this won't hurt I swear  
She loves me not  
She loves me still,  
But she'll never love again  
She lay beside me,  
But she'll be there when I'm gone

Black heart scarring darker still,  
Yeah she'll be there when I'm gone Yeah she'll be there when I'm gone  
Dead sure she'll be there...

Repeat Chorus

Lay beside me, tell me what I've done  
The door is closed, so are your eyes,  
But now I see the sun  
Now I see the sun  
Yes, now I see it...

Repeat Chorus

What I've felt, what I've known  
Turn the pages, turn the stone  
Behind the door,  
Should I open it for you?  
What I've felt  
Ooh, what I've known  
I take this key and I bury it in you  
Because you're unforgiven, too  
Never free, never me  
'Cause you're unforgiven, too
