

# Higher Hell

## Echo & the Bunnymen

Smack in the middle of today  
Got to learn new words  
Merely got to simply say  
I think we all misheard  
Cracked in the middle of me  
Have to find my heart  
Smiling equates with happy  
But I know they're miles apart  
Just like my lower heaven  
You know so well my higher hell  
When confronted by  
Continuing the course  
Will you open up  
Or do I have to force  
The words right out  
Of your stubborn mouth?  
Stunted of course,  
Guilty in their growth  
Just like my lower heaven  
You know so well my higher hell  
Crashed through the floor today  
I couldn't find my legs  
Suppose you live and learn  
Learn it again and again  
Smack in the middle of today  
Got to find new words  
Merely got to simply say  
I think we all misheard  
Just like my lower heaven  
You know so well my higher hell  
(when confronted by continuing the course)  
(will you open up or do I have to force)  
(the words right out)  
(of your stubborn mouth)  
(stunted of course)  
(guilty in their growth)
