

Too Much Heaven

Lamone

[Chorus:] Nobody gets too much heaven no more

Its much harder to come by

Im waiting in line

Nobody gets too much love anymore

Its as high as a mountain

And harder to climb

Oh you and me girl

Got a lot of love in store

And it flows through you

And it flows through me

And I love you so much more

Then my life..i can see beyond forever

Evrything we are will never die

Lovings such a beautiful thing

Oh you make my world.. a summer day

Are you just a dream to fade away

[Chorus]

You and me girl got a highway to the sky

We can turn away from the night and day

And the tears we had to pay (you hade to cry)

Youre my life..

I can see a new tomorrow

Evrything we are will never die

Lovings such a beautiful thing

When you are to me, the light above

Made for all to see our presious love

[Chorus] Love is such a beautiful thing

You make my world a summer day

Are you just a dream to fade away

[Chorus] Nobody gets too much love anymore

Its as wide as a river and harder to cross
