

Knockin' on Your Door

John Fogerty

Oh babe I wonder, just how we ever,
Got so far apart,
And it seems like just the other day we were happy,
Holdin' hands in the dark.
Here I'm standin' out in the rain,
With a heart full of pain.[Chorus]
Baby here I am, knockin' on your door.
Baby here I am, knockin' on your door.Ooh! Oh girl I'm beggin', hear what I'm sayin',
Don't send me away.
Just what I'm feelin', I got to tell ya,
Don't say it's too late.
I'm walking up and down the street,
Just tryin' to get my nerve up.[Chorus]Ooh, Lord!
Ooh baby, babe, I want ya, want you,
Gotta keep you for all time.
And I think I'm goin' crazy over you,
'Cause I got to have you, got to have you,[Chorus]Pow! Just think it over, whoa babe, I know you
Will see what I mean.
Try to remember, when we're together,
How good life can be.
I'm walkin' up and down the street,
Just tryin' to get my nerve up.[Chorus]Here I am, here I am knockin' on your door.
Here I am, here I am knockin' on your door.
Justa justa knockin', justa justa knockin' on your door.
Justa justa justa knockin', babe.
Justa justa justa justa justa knockin', babe
