Fear of the dark

Ructions

I am a man who walks alone
And when I'm walking a dark road
At night or strolling through the parkWhen the light begins to change
I sometimes feel a little strange
A little anxious when it's darkFear of the dark, fear of the dark
I have a constant fear that somethings always near
Fear of the dark, fear of the dark
I have a phobia that someone's always thereHave you run your fingers down the wall
And have you felt your neck skin crawl
When you're searching for the light?Sometimes when you're scared to take a look
At the corner of the room
You've sensed that somethings watching youFear of the dark, fear of the dark
I have a constant fear that somethings always near
Fear of the dark, fear of the dark
I have a phobia that someone's always thereHave you ever been alone at night
Thought you heard footsteps behind
And turned around and no one's there?And as you quicken up your pace
You find it hard to look again
Because you're sure there's someone thereFear of the dark, fear of the dark
I have a constant fear that somethings always near
Fear of the dark, fear of the dark
I have a phobia that someone's always thereFear of the dark, fear of the dark
Fear of the dark, fear of the dark
Fear of the dark, fear of the dark
Fear of the dark, fear of the darkWatching horror films the night before
Debating witches and folklores
The unknown troubles on your mindMaybe your mind is playing tricks
You sense, and suddenly eyes fix
On dancing shadows from behindFear of the dark, fear of the dark
I have a constant fear that somethings always near
Fear of the dark, fear of the dark
I have a phobia that someone's always thereFear of the dark, fear of the dark
I have a constant fear that somethings always near
Fear of the dark, fear of the dark
I have a phobia that someone's always thereWhen I'm walking a dark road
I am a man who walks alone
