

Painfully Bored

My Ticket Home

Negative heartbeat.
I feel it.
Negative heartbeat.
You're not my friend.Beautiful creep.
Coulda fooled me.
Why do you think I keep killing myself?Negative heartbeat.
I feel it.
Negative heartbeat.
You're not my friend.Beautiful creep.
Coulda fooled me.
What do you I keep telling myself?No sleep.
Painfully bored.Life is a drag when you're thinking of me.
Life is a drag when it's out of your reach.
Life is a drag when you're crashing your car.
Life is a drag you didn't get too far.Painfully bored.
Pitiful lifetime.
I feel it.
Pitiful lifetime.
I'm not so proud.Beautiful creep.
Coulda fooled me.
Why do you think I keep killing myself?
No sleep.
Painfully bored.Life is a drag when you're thinking of me.
Life is a drag when it's out of your reach.
Life is a drag when you're getting good marks.
Life is a drag you didn't get too far.Painfully bored.
Suffering fool, no one likes you cause they're too cool.
No sleep.
Painfully bored.Life is a drag when you're thinking of me.
Life is a drag when it's out of your reach.
Life is a drag when you're home before dark.
Life is a drag you didn't get too far.Painfully bored.
Suffering fool, no one likes you cause they're too cool.
