Krazy (feat. Young Dro)

Gunplay

I'm crazy, I'm crazy, you wanna fuck me?
Bitch, I'm crazy, I'm crazy, you wanna fuck me?
I'm crazy, you wanna fuck me?
I've had enough of me, I'm crazy
Leave this shit, I'm crazy
I'm crazy, I'm crazy
When you ain't there, I'm crazy
If I keep that thought I'm crazyÃ¢Â€Â˜Keep a nigga numb his bad bitch is a freak, tryied to steal a nigga's tongue
Keep the party going
Eyesblur, can't talk, just Ã¢Â€Â˜
Loud music, loud girsl, tough words in my wow world
Celebrating the day like the fiestas
Ã¢Â€Â˜But we can't step no night yet
I'm so red, I ain't white yet
Ain't never met a drug I ain't like it
Never had a roll paper I ain't like it
Never met a nigga I ain't fight yet
Never met a bitch I ain't swipe yet
Baby, maybe that's what's wrong with a nigga
Praise, ain't find no right yetI'm crazy, I'm crazy
I'm crazy, I'm crazy, you wanna fuck me?
Bitch, I'm crazy, I'm crazy, you wanna fuck me?
I'm crazy, you wanna fuck me?
I've had enough of me, I'm crazy
Leave this shit, I'm crazy
I'm crazy, I'm crazy
When you ain't there, I'm crazy
If I keep that thought I'm crazyI might be crazy, but I get you stupid
I know you don't
And trick you goofy
Ima show you I'm a troubler
Ima show you Ima break you
Ã¢Â€Â˜Btich, take that coat off
Everything, why on silk?
Ã¢Â€Â˜Crazy little motherfucker, you need to be buriedI'm on my mind, I ain't rolling right
That might be slow
Did you see my eyes and tell?I'm crazy, I'm crazy, you wanna fuck me?
Bitch, I'm crazy, I'm crazy, you wanna fuck me?
I'm crazy, you wanna fuck me?

I've had enough of me, I'm crazy
Leave this shit, I'm crazy
I'm crazy, I'm crazy
When you ain't there, I'm crazy
If I keep that thought I'm crazy
I'm crazy, I'm crazy
I'm crazy, I'm crazy
